Student: \_\_\_\_\_

Subject: \_\_\_\_\_

Assignment: \_\_\_\_\_

Date: \_\_\_\_\_

I do not have my assignment or homework completed, so I am using this Late Work Pass. In using this pass, I understand:

- that I do not have to make up the work
- that I can only use this pass twice per quarter if I am in 1st - 4th grade or only once per quarter if I am in 5th grade
- any future work not completed and turned in on time this quarter will be given a zero
